

New York City Subway

with Second Ave subway system

vanshnookenraggen.com

This fantasy map depicts the Second Ave subway as a fully built out system with a four track trunk line running down 2nd Ave, three branch lines in the Bronx to Forham, Co-op City, and Throgs Neck, service along the Queens Blvd line with an extended Hillside Ave subway, service to south Brooklyn via the Brighton Beach and West End lines, and service to south Jamaica and Far Rockaway via the Fulton St subway with an extension out to Cross Island Blvd.
